PROFESSIONAL SUMMARY

Content writer and video editor focused on documentary-style storytelling. I research a subject, write the script, cut the edit, and build the visual package with generative AI tools — from research and writing through to a published, optimised video.

EXPERIENCE

Video Editor Intern

Apr 2026 – Oct 2026

Anil Video Production · Jodhpur, India

Creative video production for client storytelling work, developing narrative pacing and delivering concurrent edits under tight deadlines.

- Developed creative storytelling techniques to produce compelling video content.
- Managed multiple projects simultaneously while consistently meeting tight deadlines.
- Maintained up-to-date knowledge of emerging industry trends by attending relevant events and conferences.

Content Writer

Feb 2025 – Dec 2025

Mona Boutique · Jodhpur, India

Brand-aligned writing, editing, and social copy for a boutique retail brand tailored to its target audience.

- Applied writing, editing, and proofreading skills across assignments to deliver polished content.
- Brainstormed, researched, and contributed content ideas tailored to the target audience.
- Crafted social media captions aligned with Mona Boutique's brand voice and style.

Content Writer & Video Editor

2026 — Ongoing

ForgedOrigians · DharmaVyuh · Siren Of Wisdom

Writing and editing published YouTube content for three storytelling channels: long-form documentaries, mythology narratives, and history shorts — from research and script through to the final cut.

- 60+ works uploaded across these three channels — research, scriptwriting, editing, thumbnail design and upload packaging for every one.
- ForgedOrigians: motivational documentaries — research, scriptwriting and final edit on the long-form films and their companion shorts.
- DharmaVyuh and Siren Of Wisdom: mythology narratives and history shorts — researched, scripted and edited from first draft to published.
- Channel packaging and promotion — titles, descriptions, tags and thumbnail design written to support YouTube search and click-through.
